

REMARKS

REISSUE FORMALITIES

In response to the Examiner's request, Applicant is resubmitting the Amendment After Final filed on December 21, 2009. In this paper, Applicant has underlined all of the claims that were newly added during the reissue process. With this paper, Applicant is also submitting a new oath signed by the sole inventor in which he states that the new claims added during the reissue process were added without any deceptive intention.

STATUS OF CLAIMS

Applicant appreciates the allowance of Claims 1-5, 7, and 14-17. Applicant has canceled Claims 6 and 11-13, and thus, the rejections of Claims 6 and 11-13 are moot. Applicant has amended Claims 8-10 to depend from allowed Claim 7. Applicant believes that the amendment raises no new issues, requires only cursory review, and puts the application in condition for allowance. Applicant respectfully requests entry of the amendment and a Notice of Allowance with respect to Claims 1-5, 7-10, and 14-17.

Respectfully submitted,

Raye L. Daugherty
Reg. No. 47,933
